

# The Final ABC's of First Grade!

The students in first grade have been working so hard this year! We can't believe how quickly the year is coming to a close. To celebrate their hard work, we will be having a countdown for the last 26 days of school. Each day we will be planning a fun activity associated with the letters of the alphabet. Below is the list of letters and corresponding themes. Please keep in mind this is a flexible schedule, as we have to get our work done each day prior to the countdown activity. Thank you!
